Indoor Spaces

This property is part of Coe House, which has lift access to every floor. It is designed in a contemporary fashion, but with a classical sense of style, and can be furnished at an additional cost.

The principal bedroom includes an ensuite bathroom with bath and shower, as well as built-in storage and a French door leading out onto a second terrace. There is another bedroom, with built-in storage, and a shower room and utility room opposite. Both terraces face south-east, meaning the main rooms benefit from sunlight for much of the day.
