The Property

Beautifully designed apartment presented in superb condition with sophisticated interiors

Entering the flat, you are welcomed into a spacious reception room with lofty proportions and elegant architectural details including moulded cornices and a working fireplace. Large windows fill the space with natural light, providing ample room for both a dining and living.

The Bedrooms

The principal bedroom is situated at the quiet rear of the flat and is generously proportioned with natural light from large windows offering views of greenery. The room benefits from built-in storage and an ensuite bathroom, which the second bedroom also has access to. The bathroom could be easily converted back into two bathrooms if so desired.

The second bedroom is well-proportioned and bright, also benefiting from pleasant garden views and fitted storage solutions. The apartment benefits from two additional large storage areas.

Indoor Spaces

The sleek modern kitchen is fitted with contemporary units and Carrara marble countertops. The kitchen includes integrated appliances and offers a refined cooking space with ample natural light from the window overlooking the building's exterior.

Throughout the flat, wooden floors and high ceilings create a graceful sense of continuity, while the contemporary style adds to the property's refined character.

The Neighbourhood

The apartment is located in a small building in arguably the best part of Elm Park Gardens at the corner with SW3.

Elm Park Gardens is a quiet residential address in the heart of Chelsea, moments away from the King's Road with its upmarket boutiques and many restaurants and shops. The property includes access to the private communal garden, providing a delightful outdoor retreat in this sought-after location. The tree-lined street features attractive period buildings and is within easy reach of the open spaces of Battersea Park.

The location offers excellent transport links, with South Kensington and Sloane Square stations a short walk away, providing access to the District, Circle and Piccadilly lines. The area is also within walking distance of the artistic treasures of the Victoria & Albert Museum and the Natural History Museum, making this a particularly desirable Chelsea address.
