The Property

CLOSE X

A beautifully presented two-bedroom flat on the second floor of this impressive white stucco building.

Entering the flat on the second floor, you step into a welcoming entrance hall that leads through to the generous, open-plan reception room. The eye is immediately drawn to the large sash windows, framing the Southerly view over the building's communal gardens and directly into Holland Park. Peace and privacy in abundance, and with high ceilings and wooden flooring found both here and throughout the apartment, the period grandeur of this Grade II listed building is brought to the fore.

The kitchen features fitted units and modern appliances, with the dining area flowing naturally within the open plan layout.

The Bedrooms

CLOSE X

There are two well-sized bedrooms, both with built-in storage and benefiting from excellent natural light. The principal bedroom features an ensuite bathroom, while a separate family shower room serves second.

The Neighbourhood

The property benefits from a raft of small Juliette balconies, offering a variety of outlooks. Those to the rear over the rarely found communal gardens (to which the property has access) and beyond, and those to the front the delightful facades which make this address so desirable.

Holland Park is one of London's most sought-after residential areas, moments away from the expansive Holland Park with its Japanese Garden. The flat is within easy reach of Holland Park Underground station, while the upmarket boutiques and restaurants of Notting Hill are a short walk away.
