The Property

Spacious and stylish flat in an impressive white stucco Victorian villa on a sought-after street

This newly refurbished residence has been decorated in tasteful contemporary style and finished to an exceptionally high standard. Wooden floors create a sense of harmony, with air conditioning and underfloor heating adding to the comfort and convenience. Finally, the property has private lift access.

Indoor Spaces

Stepping out of the lift, a hallway leads through to a generous reception room. As well as space for separate dining and seating areas, this room features an attractive fireplace. Furthermore, stairs lead down to a kitchen with marble worktops and an informal breakfast area.

The Bedrooms

The flat also features three bedrooms. One of the bedrooms has an ensuite bathroom, while the other two rooms share a bathroom with a bath. Both bathrooms have beautiful stone tiling.

The Neighbourhood

The flat occupies an attractive double-fronted Victorian villa, set back from the street with a gated entrance. Residents also have the right to apply for access to Pembridge Square communal gardens.

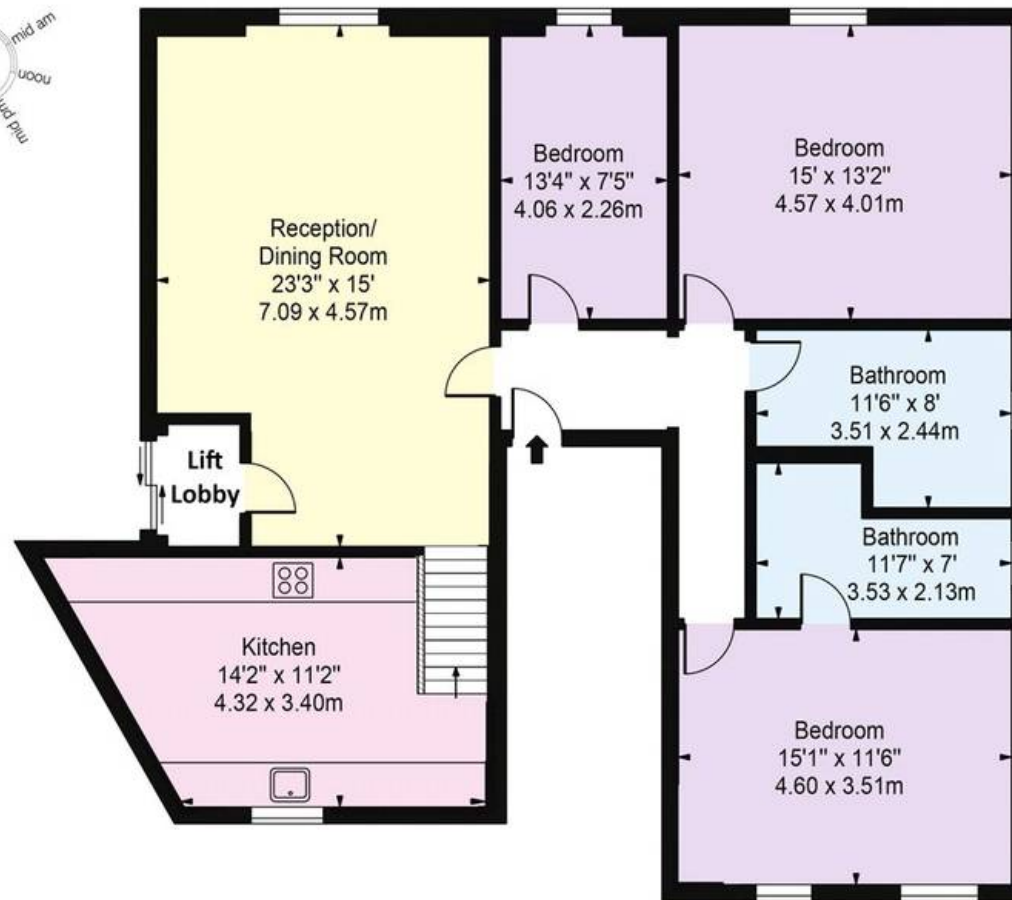

Pembridge Gardens is a beautiful street lined with white stucco Victorian villas and townhouses. From here, the many restaurants and independent boutiques of Notting Hill are close. Notting Hill Gate station is a short walk away, while the open spaces of Kensington Gardens and Hyde Park are also nearby.
