The Property

Beautifully designed flat with high ceilings and bright rooms on a sought-after square in the Boltons Conservation Area

Entering the flat on the second floor, the front hall leads down to an impressive reception room. This includes enough space for separate dining and seating areas, as well as high ceilings, wooden floors and a wide bank of sash windows.

Indoor Spaces

Thanks to the property's end of terrace position, side windows provide a double aspect and fill the corridor and reception room with light. The stylish contemporary interiors add to the sense of brightness and space and a fitted kitchen and guest WC complete the property.

The Bedroom

Double doors lead through to an equally spacious bedroom with inbuilt storage space and an ensuite bathroom including a bath. The property includes a balcony with beautiful views towards the garden square.

The Neighbourhood

Redcliffe Square was built in the 1860s and lined with grand townhouses. Their mansard roofs and dormer windows evoke the beautiful architecture of Second Empire Paris. It centres on a public garden square and the Victorian church of St Luke's. The square is within easy reach of West Brompton and Earl's Court underground stations, while the restaurants and shops of the Fulham Road are also in walking distance. In addition, Brompton Cemetery is nearby, with its magnificent tombs and avenues of trees.
