The Property

Lower ground floor flat in a magnificent Victorian mansion block on a sought-after Chelsea street

Entering the flat on the lower ground floor, a central corridor connects the main rooms of the property. On one side is a dining room with built-in shelves, and next door is a reception room with a decorative fireplace. Both these rooms have south-facing bay windows, adding to the sense of space and light.

Opposite the dining room is a fitted kitchen with modern appliances, and beyond that a pair of bedrooms and a pair of bathrooms. Both bedrooms have bay windows, giving extra space, while the principal bedroom has an ensuite bathroom with a bath, as well as considerable storage.

The property has wooden floors in most rooms, as well as tasteful decorative details such as the cornice and archway trim in the corridor.
