The second floor offers two more bedrooms, both with ensuite bathrooms, vaulted ceilings and considerable wardrobe space. The principal bedroom also has a balcony.

The Neighbourhood

De Vere Cottages leads off Canning Place, a quiet street between Gloucester Road and St Albans Grove. Originally constructed as stables for the surrounding townhouses, its attractive Victorian architecture has since been transformed into an exclusive, residential building.

From here, the open spaces of Hyde Park and Kensington Gardens are close, while Gloucester Road underground station is within walking distance. Furthermore, the restaurants and independent shops of Victoria Grove are nearby, creating a village-like atmosphere
