The Property

CLOSE X

A superb maisonette presented in very good condition across ground and first floor levels.

Entering the property on the ground floor, the kitchen is immediately well-considered, featuring fitted light grey cabinetry, a gas cooktop with a stainless steel range hood above, and a glass backsplash that adds brightness to the space. Light wooden flooring runs underfoot, adding warmth to the clean, modern aesthetic.

The ground floor also features a generous dining room, bright and well-proportioned, with glass double doors framed by cream curtains that draw light into the space. A circular glass-topped dining table sits beneath a skylight, with light hardwood flooring throughout this level adding to the sense of warmth and continuity.

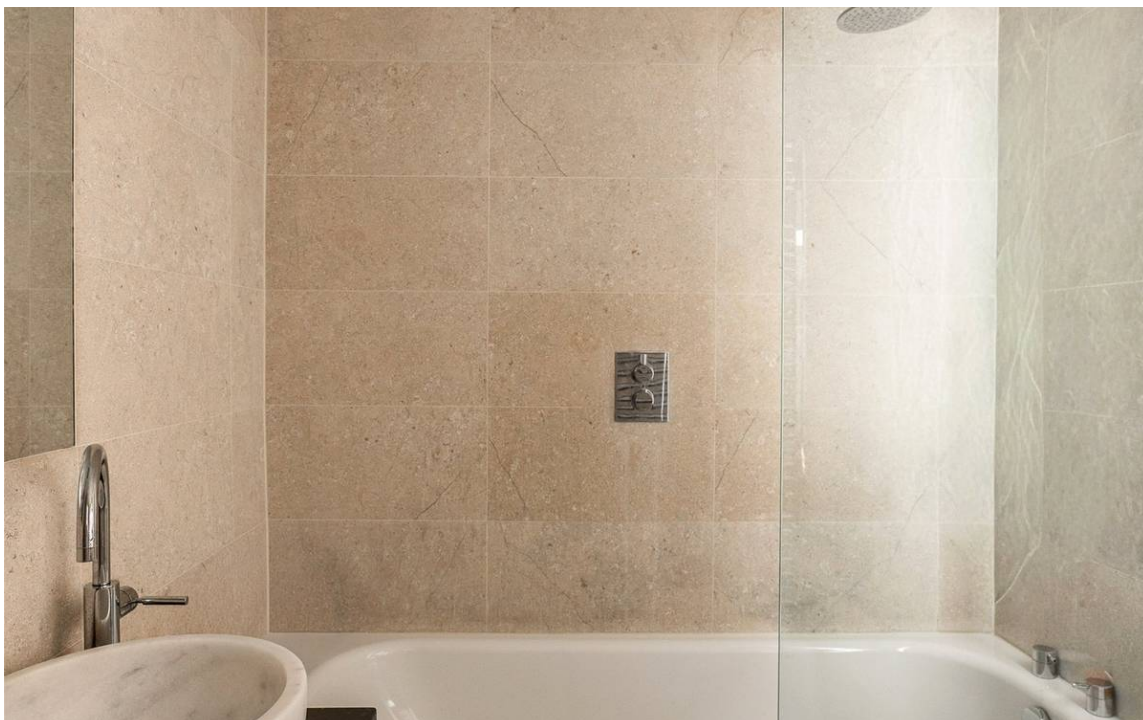

The Bedroom

CLOSE X

The principal bedroom is on this floor and is a well-proportioned room with carpeted flooring and framed artwork on the walls, creating a calm and restful atmosphere.

The Reception Room

A staircase with glass panels and light-coloured railings rises to the first floor, where the impressive reception room sits. This is a substantial space featuring two beige sofas, a geometric shelving system on the rear wall, a fireplace with a mounted television above, and a large window with striped curtains that fills the space with light. Built-in shelving to one side displays decorative items, adding a refined, considered quality to the room. The mezzanine level above creates a sense of lofty proportion and scale that distinguishes this property. The second bedroom is on this floor.
