Indoor Spaces

Entering the house on the ground floor, the front door opens onto a generous staircase hall. Beyond is an expansive living space, composed of seating and dining areas, as well as an open-plan modern kitchen with central island breakfast bar and Gaggenau appliances. Full-height sliding doors open onto the garden and flood this space with natural light during the day. This floor also contains storage space and a guest WC, as well as an ensuite bedroom and sitting room studio with separate street access.

Entertaining Spaces

The basement floor features a pair of large family rooms. The media room offers a stylish home cinema, while the games room features a bar, a seating area, and an internal balcony overlooking the pool. That pool occupies much of the sub-basement, alongside a bathroom and a sauna. Meanwhile, a utility room and a gym complete this level.

Principal Bedroom

The first floor features a spacious principal bedroom with dressing room, ensuite bathroom and a spectacular vaulted ceiling.

Further Bedrooms

Three more bedrooms can be found on this floor, all of them ensuite and offering fitted wardrobes. A final bedroom occupies the second floor, along with a study, illuminated by a series of skylights.

The Design

This unique property is finished to the highest level and presented in pristine condition. The hardwood floors and bespoke contemporary design give an added sense of sophistication. In addition, air-conditioned bedrooms and underfloor heating provide comfort and convenience.

Outdoor Spaces

The property is accessed via a cobbled front garden with planted fences and trellises. Furthermore, the paved south-facing rear garden has enough space for outdoor entertaining.

The Neighbourhood

Rede Place is a quiet, mews-like street accessed via Chepstow Place. From here, Bayswater Station is within walking distance, while Notting Hill Gate is also close. In addition, the neighbourhood's many celebrated restaurants and shops are nearby.
