The Property

Bright and beautiful flat with contemporary interiors in excellent condition close to Notting Hill Gate station

Indoor Spaces

Stepping into the flat on first floor, the front hall leads past a fitted kitchen with wooden units and a convenient breakfast area. Beyond is a generous reception room, offering enough space for separate dining and seating areas, as well as floor-to ceiling windows bringing in the daylight.

The Bedrooms

The principal bedroom lies on one side of the flat, with an ensuite bathroom containing both bath and shower. On the other side is a second bedroom with a bathroom next door. Both rooms contain inbuilt storage space, with further storage in the hall.

The Design

The flat is designed with an open layout and decorated in a contemporary style, creating a sense of brightness and space throughout. It is presented in excellent condition, with air conditioning and underfloor heating throughout

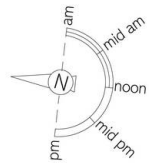

The Neighbourhood

This award-winning modern building overlooks a garden square, with a 24-hour porter service and a private garage.

Wycombe Square is a contemporary take on a traditional garden square, lined with Georgian-inspired architecture.

From here, Notting Hill Gate underground station is close, and so too the neighbourhood's many restaurants and shops. In addition, the popular Notting Hill farmers' market takes place every weekend at the nearby Fox primary school. Finally, the delightful open spaces of Holland Park are within easy reach.
